

Bridal Shower Purse Game

This is rollicking-fun game that will have your guests loosened up and laughing in no time at all. We've added our own unique twists to create a new version of this popular Bridal Shower game.

First make sure everyone has paper, pencil and a purse. The hostess reads through the list of items. If a guest has the item in her purse, she writes down the number of points on her paper. At the end of the game, the person with the most points is the winner.
