

Money Talks

And people talk...about money! In this clever crossword, you need to complete ten quotations related to money. The number of the clue is given in the blank for each missing word. (A is for Across and D is for Down.)

The crossword diagram will supply you with the all-important information about the number of letters in each word.

Hint: The answer to 9D is RICH. Write that in the grid and in the quotation clue. That word will help you discover the other missing words.
